

For lovers of health and comfort Oca Hotels offers a careful selection of hotels provided with Spa: a magic place to prove the benefits of water above body and brain.

Dive into a shelter of comfort where Health, Relax and Beauty make real when you come to any of our hotels.

Our hotels, thought in two zones, let you relax individually or in company. We have a collective zone fitted with a water circuit to enjoy with hydromassage jets, sauna, steam baths and essence showers that let you prove the benefits of water.

On the other hand, our specialists will advise you in the cabin zone with different types of massages, water techniques, face and body treatments that will make disappear your strains accumulated by the crazy city-life rhythm, forget problems and recover strength.

*Welcome, Relax and Enjoy yourself.*
